Hunting lodge

17 Hammer 1490 DR, ~08:20 → ~13:20

Party present: *Amidamaru, Eguzkilore, Kaelthar, Mialee, Nuberroca*
Party absent: *Nyx, Sinsong*

Summary

- **Poisoned breakfast** — paralysed, searched and questioned.
- **Alliance of convenience** — Thayan book traded for two missions.
- **Trepsin killed** — Sohey's tribe allied mid-fight.

Epic moments

- **Mialee** sends a message to Sohey mid-ambush, pitching the alliance against Trepsin.
- **Eguzkilore** looses four shafts in a single breath; the last buries clean through Trepsin's throat.
- **Nuberroca** cloud-steps behind Trepsin and drives his lance through the back of the neck.

Events

- Angrath mentions a white dragon visiting the lodge from the south-east.
- Poisoned breakfast paralyse all but Amidamaru; Mialee misty-steps onto the roof.
- Chained and searched, the party's Harper / Gauntlet sigils revealed; the drug pulls the raid story out of Nuberroca.
- Talis trades a Thayan book for the Nashkag kill and sabotage of Rezmir's cargo at the Castle in the Clouds.
- Mialee burgles Talis's chest for gold and a glowing chainmail coat.
- ~10:30 — Trepsin marches them north with his drakes; the goblins mass in the pines.
- ~13:00 — Mialee parleys with Sohey mid-fight; the Nashkag focus their arrows on the troll.
- **Trepsin killed** and his drakes cut down; Kaelthar is dropped and healed with a potion.
- Amidamaru burns the troll corpse and severed arms so nothing regrows.

NPCs

- **Talis the White** — truth-drugged the party and brokered the two-mission contract.
- **Trepsin** — killed in the pines after the party turned on him.
- **Sohey** — Parleyed mid-fight, turned the ambush onto Trepsin.

Knowledge gained

- **Glazhael, the great white dragon.** Named by Talis; visits the lodge from the south-east, last seen ~10 days before.
- **Parnast.** Nearest town, days of travel south-east per Angrath.

Status changes

- **Draconic-runed lightspear reclaimed.** Talis slapped Nuberroca and took the spear back off him on the way out.

Loose ends

- **Amidamaru's curse** — a faint sorcerous weight settled on him overnight; source unknown.
- **Varram** — named by Talis as the man she wants dead; identity and location unknown.
